Cure for Dysentery

"While I was in Ashland, Kansas, a gentleman overheard me speaking of Chamberlain's Colic and Diarrhoea Remedy," writes William Whitelaw, of Des Moines, Iowa. "He told me in detail of what it had done for his family, but more especially his daughter, who was lying at the point of death with a violent attack of dysentery, and had been given up by the family physician. Some of his neighbors advised him to give Chamberlain's Colic and Diarrhoea Remedy, which he did, and fully believes that by doing so saved the life of his child. He stated that he had also used this remedy himself with equally gratifying results."

Money Never Hunts -- You --

The poor man may only become rich by first saving while he is poor. Go out after the money—earn it—gather it in—then bring it to this bank and **LET US SAVE IT FOR YOU**

That will start you on the way to Comfort—and Comfort and Riches are close kin.

If you do it today it is done—tomorrow it may be forgotten.
